Free Time & Optional Excursions

While our France tour has many items included for you each day, there will be some free time on certain days. During this free time, you are free to explore as you wish, or you can take advantage of other optional excursions that you can take. Whether it's a special dinner, a local show or a special behind-the-scenes glimpse into an historical site, these optional excursions are a wonderful way to enrich your vacation experience even further. Allowing you flexibility to choose is what makes this type of tour special. While many of the "must-see" sites and experiences are included in the package itself, we understand that people take interest in different activities and allow them to craft a more personal vacation experience by providing optional excursions they can hand-pick based on appeal and personal interest.

The optional excursions for the tour will be announced at a later date. We will discuss these in detail before you depart, and will include information about the opportunity to pre-book most of these excursions in plenty of time before you leave.
